WORK EXPERIENCE

AMEND Consulting

Cincinnati, OH

Senior Analyst - Business Intelligence Consultant

April 2022-Present

- Crafted interactive dashboards for 15+ clients, each with annual revenues exceeding \$250M, resulting in streamlined data analysis processes and improved decision-making capabilities.
- Led and managed over 15 end-to-end BI projects, from requirements gathering and data modeling to dashboard development, and deployment, ensuring timely delivery and high client satisfaction.
- Integrated data from diverse sources using SQL, PowerBI, Tableau, Python, and BigQuery, creating holistic views for clients.
- Contributed to over \$4M in identifiable cost savings at a major aluminum producer by identifying key efficiencies using historical data to create a predictive tool displaying what plant production will look like over the next 30 days.
- Developed an automated dashboard for a major food producer, leading to a 5% daily throughput increase, \$3M saved annually.
- Pioneered a full deck financial reporting package and their first data warehouse using GBQ for a major security tech company.

Food Systems Foresight

New York, NY

Management Consulting Intern

June 2020-April 2022

- Designed and facilitated a virtual 'Food Systems Dialogue' for the Nigerian, Kebbi state's food system, with 50 participants from 4 different continents, leading to safer food transactions within the Kebbi traditional markets
- Wrote 20+ project and financial proposal grants for projects funded by multilateral NGOs such as the United Nations, World Economic Forum, Feeding America, the Bill and Melinda Gates Foundation, and the Global Alliance for Improved Nutrition
- Systemized inaugural social media campaign on LinkedIn, leading to over 80% growth in website traffic in 2 months.

Max M. Fisher College of Business

Columbus, OH

Instructor

March 2020-May 2022

- Instructed general business administration course tailored to over 140 first year business students 4 times a week, helped students get acclimated to life at university and to find use of the business school's resources/opportunities.
- Led engaging and interactive lessons in introductory business topics, fostering a positive and inclusive learning environment. Used real-world case studies, and multimedia resources to enhance students' understanding of fundamental business concepts.

J.M. Smucker Company

Cleveland, OH

Corporate Finance Intern

January 2020-May 2020

- Utilized Netsuite, Essbase, and Accolade financial databases to generate weekly gross sales and shipping volume reports for several Smucker brands, including: Dunkin' Donuts Coffee, Folgers Coffee, JIF peanut butter, Uncrustables, & Smucker's Jam
- Worked with Marketing and R&D departments to determine the financial feasibility of sustainability projects such as sourcing the packaging of all Uncrustables to recyclable material by end of year 2021.
